Upanishadic Wisdom: The Himalayas of the Soul

SWAMI DAYATMANANDA a highly distinguished monk and Head of the Ramakrishna Vedanta Centre, has kindly agreed to give a lecture on 'Upanishadic Wisdom: The Himalayas of the Soul' at Mandeville Place, after which questions will be most welcome.

Following the talk there will be light refreshments available for those who wish, in the basement refectory at Mandeville Place.

The Chetana Trust's work is to promote and encourage the study of Sanskrit.

REVERED SWAMI DAYATMANANDA has said 'There is an expression: **satyam shivam sundara** – truth, beauty and goodness. If you recognize which is the best faculty in you and strive to do your best to manifest that particular faculty, everything will fall into place'.
